

Fever Dream

[Verse 1]

How did you know
I was hoping for a sign?
My heart was so
Close to closing time

[Pre-Chorus]

Somethin' 'bout you hit me like a freight train to the chest, uh-huh
The day we met, uh-huh
My loneliness

[Chorus]

Left the room the second that you walked in, somethin' like a fever dream
Haven't slept in weeks, I think I'm seeing things
Like our shadows dancing us out of our clothes
I'll be damned if you love me, damned if you don't

[Verse 2]

Maybe it's fate, maybe it's late
Told you I ain't no liar
Watching you leave's haunting my dreams

[Pre-Chorus]

Baby, it hit me like a freight train to the chest, uh-huh
The day we met, uh-huh
My loneliness

[Chorus]

Left the room the second that you walked in, somethin' like a fever dream
Haven't slept in weeks, I think I'm seeing things
Like our shadows dancing us out of our clothes
I'll be damned if you love me, damned if you don't

[Bridge]

One foot on the edge, uh-huh
That silhouette, uh-huh
I can't forget
Somethin' 'bout you hit me like a freight train to the chest, uh-huh
The day we met, uh-huh
My loneliness

[Chorus]

Left the room the second that you walked in, somethin' like a fever dream
Haven't slept in weeks, I think I'm seeing things (Seeing things)
Like our shadows dancing us out of our clothes
I'll be damned if you love me, damned if you don't

[Outro]

Oh, if you don't
