

Man I Need

Talk to me, talk to me

Talk to me, talk to me

Hm

Looks like we're making up for lost time

Need you to spell it out for me

Bossa nova on all night

It's like a type of alchemy

Introduce me to your best friend

I can come and slot right in

A satellite ain't even that far

I, I kinda wonder where you are

Already know I can't leave it alone

You're on my mind, mm

Already gave you the time and the place

So, don't be shy

Just come be the man I need

Tell me you got something to give, I want it

I kinda like it when you call me "Wonderful"

Whatever the type of talk it is, come on then

I gotta know you're meant to be the man I need

Talk to me, talk to me

Mm, talk to me, talk to me

Be the man that I need, baby

Talk to me, talk to me

Be the man that I need, need, need

Mm, talk to me, talk to me

Be the man that I need, baby

Talk to me, talk to me

Be the man, man, man, man, man

I'd like to think you feel the same way

But I can't tell with you sometimes

So, baby, let's get on the same page

Stop making me read between the lines

Already know I can't leave it alone

You're on my mind, mm

Already gave you the time and the place

So, don't be shy

Just come be the man I need

Tell me you got something to give, I want it
I kinda like it when you call me "Wonderful"
Whatever the type of talk it is, come on then
I gotta know you're meant to be the man I need
Talk to me, talk to me

Mm, talk to me, talk to me
Be the man that I need, baby (Be the man)
Talk to me, talk to me
Be the man that I need, need, need
Mm, talk to me, talk to me
Be the man that I need, baby (Be the man)
Talk to me, talk to me
Be the man, man, man, man, man

Mm
Mm-mm, mm-mm, mm
Mm-mm, mm
Mm-mm, mm-mm, mm-mm, mm-mm, mm
