

Runway

No matter what, no matter what
You got to strut

Walk, I'm feeling fab
I'm feeling free, I feel exceptionally me
Hate all you want, but I'm dangerous
You gon' burn your tongue on this tea
Might show up late, might be on time
Just wait, I'm coming, ki-ki
This paparazzi routine
Bitch, I came to be seen

Yes
Serve a little sass, yes
With a little side of ass, yes
Got the front row screaming
"Okay (okay), okay (okay)"

Yes
Do a little twirl, yes
Let 'em know I'm that girl, yes

Monday through Sunday
I can turn a dance floor into a runway
(Turn it up, turn around) bitch
Monday through Sunday
I can turn a dance floor into a runway
(Turn it up, turn around) bitch
Monday through Sunday
I can turn a dance floor into a runway

I can turn a dance floor into a runway
Tell 'em, "Make room, " my body's a entrée
I could turn a mad ho into a fan
Cameras flashing, lights on, fuck it up
Click, click, click, click, everywhere I go
Get it, can't get me, face card froze
Never gon' see me waiting at the door, no (yeah)
Get out the way, ho

Yes
Serve a little sass, yes
With a little side of ass, yes
Got the front row screaming
"Okay (okay), okay (okay)"

Yes

Do a little twirl, yes
Let 'em know I'm that girl, yes

Monday through Sunday
I can turn a dance floor into a runway
(Turn it up, turn around) bitch
Monday through Sunday
I can turn a dance floor into a runway
(Turn it up, turn around) bitch
Monday through Sunday
I can turn a dance floor into a runway
(Turn it up, turn around) bitch
Monday through Sunday
