

Babydoll

I can't move on, babydoll, waitin' on calls
Flippin' through stations
I'm outclassed, and it's outrageous
And I'll take it all, babydoll
Whatever's been weighin' you down
Find me on Miami concrete
Lookin' for somebody different 'cause my daddy was a pimp
My mama had her issues, but I miss her anyway
Oh, babydoll
Please don't call me for the wrong reasons
We both know exactly what I'm thinkin'
Weeks pass, and I never grow tired
'Cause I never say never, and I barely ever lie
I'm on a roll to an original place
In outer space, I didn't make it up
But you can't find it on a phone or a globe
And I can take you with me if you really wanna go
Oh, babydoll, I can't move on
I can't move on, babydoll, waitin' on calls
Flippin' through stations
I'm outclassed, and it's outrageous
And I'll take it all, babydoll
Whatever's been weighing you down
