

Where is my husband

Baby (whoo-hoo), where the hell is my husband? (Whoo-hoo)

What is taking him so long (whoo-hoo) to find me?

Oh, baby, where the hell is my lover?

Getting down with another? (Whoo-hoo, yeah)

Tell him if you see him, baby, if you see him

Tell him, tell him he should holler

Why is this beautiful man waiting for me to get old?

Why he already testing my patience?

I only fear he's taking time with other women that ain't me

While I've been reviewing applications

Wait 'til I get my hands on him, I'ma tell him off too

For how long he kept me waiting, anticipating

Praying to the Lord to give him to my loving arms

And despite my frustrations

He must need me (he must need me) completely (completely)

How my heart yearns for him

Is he far away (is he far away?), is he okay? (Is he okay?)

This man is testing me, uh-huh, uh-huh

Uh, help me, help me, help me, Lord

I need you to tell me

Baby (whoo-hoo), where the hell is my husband? (Whoo-hoo)

What is taking him so long (whoo-hoo) to find me?

Oh, baby, where the hell is my lover?

Getting down with another? (Whoo-hoo, yeah)

Tell him if you see him, baby, if you see him

Tell him, tell him he should holler

I'm doing lonely acrobatics, unzipping my dress at 2 a.m.

And I'm tired of living like this

He must be out there getting ready, tryna fix up his tie

Uh, huh-huh, uh, hello? This where your wife is
Wait 'til I get your heart going, I'ma turn it up too
For how much I'm 'bout to love ya, no one above ya
Praying to the Lord to hurry, hurry you along
Baby, I intend to rush ya
He must need me (he must need me) completely (completely)
How my heart yearns for him
Is he far away (is he far away?), is he okay? (Is he okay?)
This man is testing me, uh-huh, uh-huh
Uh, help me, help me, help me, Lord
I need you to tell me
Baby (whoo-hoo), where the hell is my husband? (Whoo-hoo)
What is taking him so long (whoo-hoo) to find me?
Oh, baby, where the hell is my lover?
Getting down with another? (Whoo-hoo, yeah)
Tell him if you see him, baby, if you see him
Tell him, tell him he should holler
T-t-t-tell him I'm, tell him I'm, mm-mm-mm
Tell him I'm kind, tell him I'm 5'5"
Tell him I got brown eyes and a growing fear
That if he doesn't find me now, I'm gonna die alone, so can he
Uh, uh, uh, uh, uh, hurry up here, sir?
Uh, uh, uh, uh, uh, uh-huh, uh-huh, uh-huh, huh
I want it, want it, want it, want it, want it
I would like a ring, I would like a ring
I would like a diamond ring on my wedding finger
I would like a big and shiny diamond
That I could wave around and talk and talk about it
And when the day is here, forgive me, God, that I could ever doubt it
Until death, I do, I do, I do, I -

Is he about it, 'bout it, 'bout it?
This man is testing me, uh-huh, uh-huh
Uh, help me, help me, help me, Lord
I need you to tell me
Baby (whoo-hoo), where the hell is my husband? (Whoo-hoo)
What is taking him so long (whoo-hoo) to find me?
Oh, baby, where the hell is my lover?
Getting down with another? (Whoo-hoo, yeah)
Tell him that my grandma said it, tell him grandma said it
"Your husband is coming"
I would like a ring, I would like a ring
I would like a diamond ring on my wedding finger
I would like a big and shiny (ooh) diamond (yes), diamond (yes)
Diamond (yes), diamond (yes), diamond (yes), oh
Where is my husband? (Ah)
