

Midnight Sun

[Verse 1]

No nightmares when you can still see the light
Can't find me, I'm not in the city tonight
I like your playlist, boy, turn it up a little louder
Road's empty, so you drive a little faster
Ain't taken nothing tonight, but I'm feeling so high

[Pre-Chorus]

Show my tan lines, low-rise, rooftop down
It's golden hour all the time

[Chorus]

It's the midnight sun-kissed skin under the red sky
Layin' on your chest like this
Hold me like the pebbles in your hand, initials in the sand, yeah
Summer isn't over yet
Skinny-dipping with your heart out, it's my favorite part now
We ain't gotta tell no one
A never-ending midnight sun

[Post-Chorus]

A never-ending midnight sun

[Verse 2]

Connected, I'm so in touch with it all (Yeah, yeah)
Feel protected by the moon and the stars
I'm walking barefoot, feel the grass in between my toes
Bombshell, wind in my hair, baby, let it blow, yeah
It's been a while since I cried over something so nice (So nice)

[Pre-Chorus]

Show my tan lines, low-rise, rooftop down
It's golden hour all the time (All the time)

[Chorus]

It's the midnight sun-kissed skin under the red sky
Layin' on your chest like this (Ah)
Hold me like the pebbles in your hand, initials in the sand, yeah
Summer isn't over yet
Skinny-dipping with your heart out, it's my favorite part now

We ain't gotta tell no one (Shh)

A never-ending midnight sun

[Post-Chorus]

A never-ending midnight sun

(A never-ending midnight sun)

A never-ending midnight sun
