

Risk It All

For just the chance to win your heart
You could set the bar beyond the stars
I'll do anything, anything you ask me to

Say you want the moon
Watch me learn to fly
Ain't no mountain you could point to
I wouldn't climb
It's crazy, but it's true
There's nothing I won't do
I'd risk it all for you

To hold your hand and call you mine
I'm tryin' to be your man 'til the end of time
Oh, I'll do anything, anything you ask me to

I would run through a fire
Just to be by your side
If your heart's on the line
You could take mine
It's crazy, but it's true
There's nothing I won't do
I'd risk it all for you

I would swim across the sea just to show you
Sacrifice my life just to hold you
I could go on and on
To prove that you belong here in my arms

Say you want the moon
Watch me learn to fly
Ain't no mountain you could point to
I wouldn't climb
It's crazy, but it's true
There's nothing I won't do
I'd risk it all for you

It's crazy, but it's true
There's nothing I won't do
I'd risk it all for you
