

American Girls

[Verse 1]

Right at home
With perfect timing
A face that knows
Her perfect lighting
'Cause time will show
That you should try it
Those American girls
You spend your life with

[Chorus]

"I've known you for ages," it's all that I've heard
My friends are in love with American girls
I've seen it in stages all over the world
My friends are in love with American girls
"I've known you for ages," it's all that I've heard
My friends are in love with American girls
(American girls)

[Verse 2]

Her sweet eyes
Your temptations
Don't deny
Her frustrations
Just spend your life
With those American girls

[Chorus]

"I've known you for ages," it's all that I've heard
My friends are in love with American girls
I've seen it in stages all over the world
My friends are in love with American girls
I've known you for ages
American girls
American girls

[Bridge]

(American girls, American girls)
American girls
All over the world

[Chorus]

"I've known you for ages," it's all that I've heard
My friends are in love with American girls
I've seen it in stages all over the world
My friends are in love with American girls

[Outro]

American girls, American girls
American girls, American girls
