

Unethical

Vertigo in your arms
One second you hate me, then it's false alarm
That's just what you always do, every time
Watch me when I break and say it's paradise
Set my body aflame
Lock me up and close the door when it rains
Maybe it's my fault, I put you up so high
Darling, I think you could make the Devil cry

And I've been waiting for the sunset
Waiting on a sorry
But you're never sorry, are you?
No, you don't even care
How can you stand and watch while I'm
Breakin' all my bones, tryin' to hold you close
Cut my heart right out my body
Tearing off my skin, just to let you in
Isn't it a bit unethical?
Got me on my knees, have you any mercy?
Every time you hurt me, baby
Tell me, have I not given you enough?
If you ever loved me, let me go

I don't know what it is
Got me wrapped around your cold fingertips
Maybe it's my fault I can't walk away
Maybe I just started feeling a little shame

Oh, I've been waiting for the sunset
Waiting on a sorry
But you're never sorry, are you?
No, you don't even care
How can you stand and watch while I'm
Breakin' all my bones, tryin' to hold you close
Cut my heart right out my body
Tearing off my skin, just to let you in
Isn't it a bit unethical?
Got me on my knees, have you any mercy?
Every time you hurt me, baby
Tell me, have I not given you enough?
If you ever loved me, let me go

Let me go
I'll let you go
If you let me go
Let me go

And I've been waiting for the sunset
Waiting on a sorry (let me go)
But you're never sorry, are you? (I'll let you go)
No, you don't even care (if you let me go)
How can you stand and watch while I'm
Breakin' all my bones, tryin' to hold you close
Cut my heart right out my body
Tearing off my skin, just to let you in
Isn't it a bit unethical?
Got me on my knees, have you any mercy?
Every time you hurt me, baby
Tell me, have I not given you enough?
If you ever loved me, let me go
